### Girls' Canning Club.

The Girls' Canning Club, of Christian county, had on display, the largest and best exhibit that they have presented, during the three seasons in which they have been engaged in this work. Despite the unfavorable fruit year, and the early date of the Fair, the Club made 402 entries of vegetables and fruits, all of them of not excellent quality, beautifully arranged and packed, and comprising all the products of the orchard and garden, beginning with asparagus and ending with pumpkins.

This display at the Fair, only represents the artistic accomplishments of the canning club girls; giving to the public some idea as to the various ways, in which the natural color, the shape and flavor may be preserved.

The tenth of an acre, of tomatoes, which each girl is required to cultivate and utilize, comprises the important feature of the club and besides large quantities that have been canned for home use, they will have more than 4,000 for sale, in tin cans.

The Pennyroyal Fair Association and the County Board of Education generously donated the prizes to the young ladies, and they were most enthusiastically received and appreciated.

Miss Myrtle Feagan, of Pembroke captured the first prize for the largest and best display in glass, 40 varieties and Miss Mary Louise Coleman, came second with 37 exhibits.

Miss Marie Mason took the first county prize for canning in tin for sale, and Miss Emma Gee the 2nd. The other awards were as follows:
